WEBINAR

"MY CHILD HAS AUTISM: NOW WHAT?"

Thursday, October 27, 2022, 10:00 am – 11:00 am

DESCRIPTION: Your child has just been diagnosed with autism spectrum disorder (ASD), and you may be wondering "Now what?" A range of strong and often conflicting emotions can arise, and you might be wondering what this will mean for your child and your family. The challenges may seem overwhelming at first, but you don't have to face them alone. This workshop discusses ASD and what it means for your child and family, while providing information, tips, and resources you can access and utilize to better navigate this new diagnosis.

WHO SHOULD ATTEND:

Parents, family members, caregivers and professionals who want to enhance the lives of children, teenagers & young adults. We welcome anyone who strives to achieve the same goals.
