About United Cerebral Palsy of New York City

United Cerebral Palsy of New York City, Inc. (UCP of NYC) is the leading nonprofit agency in New York City providing direct services, technology and advocacy to children and adults with cerebral palsy and other disabilities. UCP of NYC offers a breadth of more than 85 comprehensive programs including medical, clinical, educational, technological, residential and rehabilitative services to over 18,000 New York City residents and families annually. Our services are delivered by a staff of more than 3,000 trained and dedicated individuals, including a number of employees who have disabilities themselves. The mission of United Cerebral Palsy of New York City is to create opportunities for people with disabilities to lead independent and fulfilling lives.
