

FEEDING & SENSORY ISSUES IN EARLY CHILDHOOD: THE PICKY EATER

Wednesday, May 11, 2022, 10:00 am - 11:30 am

DESCRIPTION: Sensory development plays a big role in determining how children will explore, learn, and experience new movement patterns for feeding. Join us on May 11th for a webinar on how sensory issues can contribute to picky eating. We will discuss what defines a "picky eater" and how we can help children accept and add new foods to their diet. We will address how to avoid mealtime struggles and how to promote more positive mealtime experiences.

WHO SHOULD ATTEND:

Parents, family members, caregivers and professionals who want to enhance the lives of children, teenagers & young adults. We welcome anyone who strives to achieve the same goals.

LANGUAGE:

English (With Spanish Interpretation)

REGISTRATION IS REQUIRED

familyconnect@adaptcommunitynetwork.org

By Phone:

(718) 436-7979 Ext.704

ABOUT THE SPEAKER

Harla Rudolph is a New York and New Jersey State Licensed and ASHA Speech Language Pathologist, with over 25 years of experience working with children and their families. Harla specializes in dealing with the unique needs of infants, toddlers, preschoolers, and school-aged children with oral motor, feeding, sensory, and speech and language disorders.

She has provided pediatric therapy services within a wide variety of settings, including hospitals, specialized school settings, medical clinics and with the NYS and NJ Early Intervention home based Programs. In 2009, Harla founded The Speech Tree, a multi-disciplinary therapy center with 3 locations in New Jersey.
