SENIOR STAFF RETREAT AUGUST 25, 2026

To create a custom Employee Engagement Package, please contact Michael Linrunner at (929) 884-3172 or mlinrunner@adaptcommunitynetwork.org.

ADAPT COMMUNITY NETWORK PROGRAM SUPPORT OPPORTUNITIES

Children's Playgrounds

Help ADAPT update playgrounds at one or more of our 10 preschools locations. Your contribution can fund wheelchair and mobility aid accessible swings, slides, tunnels, merry-go-rounds, and more so that all students can play outdoors regardless of their abilities.

Arts Programs for Children and Adults

Help fund one of ADAPT's countless accessible art programs, such as laser painting, accessible photography, and other disability-friendly creative outlets.

ADAPT Innovation Institute

Your company can now be a part of ADAPT's latest initiative, the ADAPT Innovation Institute. This program, which includes a fully outfitted test home in the Bronx, matches the people we support with Smart Home technology that will help foster

their independence in the home. Participants can visit the Smart Lab to match with and test quality-of-life enhancing technology. We welcome additional accessible technology partners as well as academic research partners as we prepare for the ADAPT Innovation Institute's Fall 2026 launch.

Community Engagement Support

As ADAPT rapidly expands our services throughout New York City and the Hudson Valley, we aim to bring our life-affirming programs to an even wider population. Your generous donation will help us to attend resource fairs, advertise our services, and extend our reach further.

Thank You!

Thank you for your thoughtful consideration of this proposal of partnership with ADAPT Community Network. We look forward to growing our partnership and shared vision of building a better community to live in.

OUR MISSION

Empowering people
through innovative solutions,
one person at a time.
